 - A. Specifically, ILT Silveridge, LLC shall prohibit its personnel from releasing CPNI based upon a customer-initiated telephone call except under the following three (3) circumstances:
 1. When the customer has pre-established a password.
 2. When the information requested by the customer is to be sent to the customer's address of record, or

3. When ILT Silveridge, LLC calls the customer's telephone number of record and discusses the information with the party initially identified by customer when service was initiated.

B. ILT Silveridge, LLC may use CPNI for the following purposes:

- To initiate, render, maintain, repair, bill and collect for services;
 - To protect its property rights; or to protect its subscribers or other carriers from fraudulent, abusive, or the unlawful use of, or subscription to, such services;

 - To market additional services to customers that are within the same categories of service to which the customer already subscribes;
 - To market services formerly known as adjunct-to-basic services; and
 - To market additional services to customers with the receipt of informed consent via the use of opt-in or opt-out, as applicable.
4. Prior to allowing access to Customers' individually identifiable CPNI to ILT Silveridge, LLCs' joint venturers or independent contractors, ILT Silveridge, LLC will require, in order to safeguard that information, their entry into both confidentiality agreements that ensure compliance with this Statement and shall obtain opt-in consent from a customer prior to disclosing the information. In addition, ILT Silveridge, LLC requires all outside Dealers and Agents to acknowledge and certify that they may only use CPNI for the purpose for which that information has been provided.
 5. ILT Silveridge, LLC requires express written authorization from the customer prior to dispensing CPNI to new carriers, except as otherwise required by law.
 6. ILT Silveridge, LLC does not market, share or otherwise sell CPNI information to any third party.
 7. ILT Silveridge, LLC maintains a record of its own and its affiliates' sales and marketing campaigns that use ILT Silveridge, LLCs' customers' CPNI. The record will include a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as part of the campaign.

A. Prior commencement of a sales or marketing campaign that utilizes CPNI, ILT Silveridge, LLC establishes the status of a customer's CPNI approval. The following sets forth the procedure followed by ILT Silveridge, LLC.

- Prior to any solicitation for customer approval, ILT Silveridge, LLC will notify customers of their right to restrict the use of, disclosure of, and access to their CPNI.

- ILT Silveridge, LLC will use opt-in approval for any instance in which ILT Silveridge, LLC must obtain customer approval prior to using, disclosing, or permitting access to CPNI.

 9. ILT Silveridge, LLC has a supervisory review process regarding compliance with the CPNI rules for outbound marketing situations and will maintain compliance records for at least one year. Specifically, ILT Silveridge, LLCs' sales personnel will obtain express approval of any proposed outbound marketing request for customer approval of the use of CPNI by The General Counsel of ILT Silveridge, LLC.
